B. “Partner Contest” period

- End date: 15.05.2019

C. General Terms

- “Partner Contest” is a promotion, where all Forex4you partners who meet certain criteria for participation will have a chance to win a “Luxury trip” around Europe.
- Only direct/1 level clients of the "Affiliate" partner program will be counted for partner contest. Level 2 and 3 clients are not considered for this promotion.
- Top 12 partners will be determined as winners at the end of the “Partner Contest”.
- The winners are determined by the most points gained during the contest period.
- To gain 50 points you need to meet two criteria:
 - A sum of \$50 in deposits from your clients;
 - 1 lot minimum traded volume by your attracted clients.

The table below gives examples of how we will calculate the points in the “Partner Contest”.

Please note: Points are calculated taking into account deposit amount, which is supported by required trading volume. Therefore, the lesser of the two is always taken into consideration eg. Deposit and Lots.

#	Deposit	Trading volume	Result (points)
1	60 000 USD	900 lots	45 000
2	75 000 USD	1 600 lots	75 000

#1: In example 1 our partner gets 45,000 points ($900 * 50 = 45\ 000$), because only \$45,000 can be transferred to points, as part of his deposit (\$15, 000) is not supported by trading volume and trading volume is only 900 lots.

#2: In example 2 the deposited amount equals \$75,000 and 1600 lots were traded therefore he will get 75,000 points rather than 80,000 ($1600 * 50 = 80\ 000$) which not the same as deposits.

* Information about deposits and trading volume of attracted clients won't be displayed in rating.

- Up to date information about your attracted clients' deposits, traded volume and your place in the rating list can be found in the Trader Room, within the Partner Contest section.
- Information in the rating list is updated once a day at 12:00 CET (GMT+1).
- Auto email notifications will be enabled when Partner enters or leaves top 12.
